Announcement on
PhD Early Admission Scheme Program at HKUST

The PhD Early Admission Scheme (PhD-EAS) program is an elite program created by the ECE department, Hong Kong University of Science and Technology (HKUST), for a small number of outstanding students from top universities around world to enter the PhD research **directly**. The PhD-EAS program is mainly targeting year-3 and -4 undergraduate students from 15 top-ranking partner universities worldwide, including FEEE at HCMUT.

Undergraduate students with strong academic profile and research motivation are encouraged to apply for the PhD-EAS program through their home universities. More information can be found at:

http://www.ece.ust.hk/public/admissions/files/ECE_Catalog.pdf

This year, FEEE at HCMUT will nominate 3 candidates to PhD-EAS program. Students who are interested in this program please send an email including your study record to:

Dr. Huynh Phu Minh Cuong, Email: hpmcuong@hcmut.edu.vn

Deadline for this application is October 07, 2018.
